OUTPUT:

The image shows a registration form with the title "Registration Form" centered at the top. Below the title are seven input fields, each with a label above it: "First Name", "Last Name", "Password", "Email", "Mobile Number", "Date of Birth", and "Address". The "Date of Birth" field includes a placeholder "dd - mm - yyyy" and a calendar icon. The "Address" field has a small icon in the bottom right corner. At the bottom of the form is a blue button labeled "Register".

RESULT:

Thus registration page is created successfully.
